

Catering Committee Report AGM March 2018

Catering Committee : Sue Johnson, Lynda Smith and Sue Beales

It's over a year since Marjorie died yet we still feel her influence on the Catering Committee and her presence is felt at all functions held at the club.

There have been seven evening meals this past season, one fewer than previous years which might account for the fact that we haven't quite reached our financial target. However, everyone who attended enjoyed the food and friendliness of these events. The Christmas Buffet was, as usual, the highlight of the year with the maximum number of guests (50). Thank you to David Elliott for running the raffle in his usual calm way! Also, thank you to all the bar stewards who ran the bar at our food evenings.

A rota has been set up for Saturday afternoons so that players can enjoy tea and cake each weekend during organised social tennis.

A full afternoon tea was served after Marjorie's Tournament held to commemorate her birthday in April. A few of the club members kindly offered to make cakes to help the Catering Committee cater for this event. Thank you to Ruth Connor, Anne Sotoudemehr, Rosie Scarll, Jose Westwood and Hari.

In June, President's Day, held for David Sykes, was a great success and the afternoon tea was appreciated by all. Thank you to David for the strawberries and ice cream and to Ruth and Rosie who made extra cakes – always appreciated.

Sue and Martin Johnson have continued to serve a monthly breakfast at a Headmasters' meeting and Sue Johnson and Lynda Smith have prepared refreshments at Quiz nights through the Winter.
